When you partner with Sunbelt Rentals, you gain access to the youngest, broadest fleet in the industry and a growing list of benefits that will elevate your rental experience to the next level.

Receive nationally discounted rates, no additional fees and a single point of contact for all of your rental needs. Call 855-670-5980 to set up your account.

PUMP & POWER SUPPORT CENTER

We are here for you 24/7 with solutions and information about your account. Call us for:

- An immediate response and a solution within 45 minutes.
- Customized support from a single point of contact.
- Billing information or to place equipment on rent.
- Streamlined ordering, rental suspension, PO updates, signatures, contract and rate accuracy review, and invoicing.

TOTAL ACCOUNT MANAGEMENT

Sunbelt Rentals offers a suite of online and mobile tools that give you total account access anytime, anywhere.

Easily log into our **Command Center** and you can create and schedule reports, move or call equipment off rent, create text or email notifications, pay invoices and more.

Our mobile app **Access Sunbelt** offers the same account management from the convenience of your phone. Available for Apple and Android platforms.

SAFETY TRAINING & RISK MANAGEMENT

Operator training is available for aerial work platforms (AWPs), forklifts, backhoe loaders or skid-steer loaders.

We also offer Train the Trainer (TTT) courses that certify participants to conduct AWP and forklift training.

Customized training is also available.
