

# Cornet Sale

Trade South is offering special markdowns on top quality cornets by Geneva. Geneva is one of the leading brass instrument makers in the world and was recently named the official instrument supplier to the renowned Black Dyke Band.

## Oldroyd Cardinal

Top-of-the-line professional model now played by Richard Marshall. Extensive hand engraving. Red brass bell with fused nickel silver flare, red brass lead pipe and slide bows. Stainless steel pistons. Main tuning slide and 3<sup>rd</sup> slide triggers. Comes with standard weight and heavyweight valve bottom caps. .464 bore. Mouthpiece not included. Fully silverplated. *Regular price \$2495.00*

**Sale price \$1995.00**

## Geneva Mentor

Outstanding midrange cornet that performs like a pro model. Yellow brass with stainless steel valves. 1<sup>st</sup> and 3<sup>rd</sup> slide triggers. Open and even feel in all registers with excellent intonation and traditional warm cornet sound. The Mentor has become one of our best-selling cornets. .464 bore. Does not include mouthpiece. Silverplated. *Regular price \$1595.00*

**Sale price \$1195.00**

## Amati Vantage

Geneva now owns the venerable Amati brand and has invested much into retooling and redesigning. The Vantage cornet is a great example of this new artistic partnership. Designed for players who desire the openness of a large bore cornet but require the easier blow of a medium bore model. Includes dual triggers and mouthpiece. Silverplate. *Regular price \$995.00*

**Sale price \$795.00**

All instruments are brand new and come with a hard case. Sale prices apply to in-stock quantities only (which are limited). We are not permitted to publish these sale prices on our website so contact Joe at [joe.johnson@uss.salvationarmy.org](mailto:joe.johnson@uss.salvationarmy.org) or (404) 728-1383 to place your order. All instruments are inspected prior to shipment.
